Professor Dr. Song-Chun Zhu
Center for Vision, Cognition, Learning and Autonomy
Departments of Statistics and Computer Science
University of California, Los Angeles
Los Angeles, CA 90095

Dear Professor Zhu,

Huawei Technologies. Co. ltd. (Huawei) is pleased to award an unrestricted gift of \$450,000 to the UCLA Center for Vision, Cognition, Learning and Autonomy to support basic research in the general area of Reasoning on In-car Interaction.

The gift will be available in three (3) installments for expenses related to the research.

- The first installment of \$150,000 will be paid upon the issuance of this Gift Letter.
- The second installment of \$150,000 will be paid in twelve (12) months after the issuance date of this letter.
- The third installment of \$150,000 will be paid in twenty-four (24) months after the issuance date of this letter.

The payment will be made to the Regents of the University of California within 15 days after the receipt of a valid invoices sent from University of California, Los Angeles.

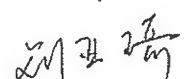

Huawei is a company providing leading global information and communications technology (ICT) solutions. We have established a competitive ICT portfolio of end-to-end solutions in telecom and enterprise networks, devices, and cloud technology and services. Our ICT solutions, products, and services are used in more than 170 countries and regions, serving over one-third of the world's population.

University of California, Los Angeles and Prof. Song-Chun Zhu further represent and warrant that the research work under this gift do not involve any military program including, but not limited to program of the military, defense research institutes, national defense laboratories etc.

Either party shall have the right to terminate this gift being agreed by the other party at least 30 days in advance.

Huawei makes no claims on the basis of this gift to any ownership or other beneficial interest in any work product resulting from this gift. Nonetheless, we would appreciate being kept abreast of the progress of the research and request that you provide us with annual progress report or as is otherwise appropriate.

Sincerely,

Huawei Technologies Co., Ltd Representative
